About Mental Health in Motion

MHiM
Mental Health in Motion

Mental Health in Motion is back in person and we can't wait!

"Over the past nine years, Mental Health in Motion has raised over \$138,000 to support **mental health care through Waypoint Centre's programs and services.**"

Give. So no one gives up.

Friday, May 10, 2024

Community Health Hub | 287 Bayshore Drive Midland

Please join us on Friday May 10th at the Community Health Hub between 11:30 am and 3:00 pm for a BBQ, self-directed walk, partner hosted activities and education booths to mark Mental Health Week. Funds raised this year will support Waypoint's Community Mental Health Programs.

Participants are encouraged to help raise funds by collecting pledges to walk, ride, run or your favourite outdoor activity in support of mental health.

“ Recognizing the significance of mental health well-being is how we strive to empower our staff, teams and local community. Every day we are prioritizing mental health, a culture of well-being and surrounding ourselves with peers who up lift and support each other, and pride our leadership in this pursuit. ”

LIZ EVERETT

Organizational Development

Why sponsor Mental Health in Motion?

Supporting Community Mental Health

Your business has the opportunity to be a part of a wonderful event that will attract 100 plus participants of all ages from children and youth to adults and seniors.

Great tools available to support your employees and families

The event shares information about community mental health programs that support individuals, families, employers and their employees. We are all in this together.

Join us! Showcase your company's products and services by hosting a booth

Please help us reach our goal

\$20,000 for Community mental health programs

This year Mental Health in Motion will be raising funds to support community mental health programs including...

North Simcoe youth Wellness Hub

Offering a wide range of services, including mental health and substance use and addictions counselling, for youth age 12 to 25, and their families, at the right time and in the right place.

Outpatient Services

Provides goal-directed service for individuals experiencing mental health challenges to develop unique care plans that support their journey towards health, wellness, and recovery.

Mobile Assessment Program

The Mobile Treatment and Support Team offers ongoing assessment and treatment for individuals that have been discharged from hospital to support their transition back into the community.

Family, Child and Youth Program

Provides community-based mental health in-person and virtual care for the full spectrum of mental health conditions to children and youth aged 17 years and younger.

With your help, we will can make a difference and be there for everyone that struggles with mental health.

a small act can have a

big impact

The Youth Resiliency Project helps children and young adults maintain their wellbeing, build resiliency skills, and find the help they need before a crisis occurs. Preventative care is one of the most effective ways to keep communities healthy.

Last year you helped to raise \$19,000 that has be used to support our Youth Resiliency Program.

Thank you!
